

**ST MARYS
PARISH PROFILE
CONSULTATION**

What is this about?

Before we can advertise for a new Rector we need to write a parish profile. This will be used by prospective candidates to decide if they want to apply and by the Parish representatives to decide if a candidate is right for us.

It is an important document and needs careful and prayerful thought.

The profile is being prepared by a team consisting of:

Mark Spencer Ellis

Jo Hughes

Bob Pamplin

Martin Seymour

But we need the contribution of every one who is a member of St Mary's.

Please think about the questions opposite and add any headings of your own

How to respond:

What would you like this church to be like in 5-10 years' time?

Do you think our next leader should be (mainly) a
